Breakdown per page

1. Homepage

a. Welcome to Vidnex

A full-width hero section with a background image and a centered animated headline. This section introduces visitors to Vidnex with a brief overview of its marketplace services. The call-to-action button encourages users to explore more. This section sets the tone and captures the attention of new visitors, aligning with the website's goal to attract industries and researchers.

b. About Us

A two-column layout with text on the left and an image on the right. This section provides a concise overview of Vidnex's mission and services. The text is left-aligned, offering a professional introduction to the platform's purpose and benefits. It helps build trust and informs visitors about the site's objectives.

c. Our Services

A three-column layout featuring icon boxes. Each column highlights a key service offered by Vidnex, such as problem posting, bidding, and payment processing. The icons and brief descriptions are center-aligned, making it easy for users to understand the platform's offerings at a glance. This section emphasizes the site's core functionalities.

d. Join Us Today

A single-column layout with a bold call-to-action button. This section encourages researchers and industries to register on the platform. The text is center-aligned, and the button stands out with a contrasting color. It serves as a pivotal point for user engagement, driving registrations and participation.

e. What Our Users Say

A slider featuring testimonials from satisfied users. This section uses a carousel to display quotes and ratings from both researchers and industry clients. The text is center-aligned, providing social proof and enhancing credibility. It helps potential users feel confident in the platform's effectiveness.

f. Our Impact

A four-column layout with counters displaying key statistics, such as the number of problems solved, researchers registered, and industries engaged. The counters are center-aligned, visually showcasing Vidnex's success and reach. This section reinforces the platform's credibility and encourages new users to join.

g. Get in Touch

A single-column layout with a contact form and essential contact details. The form is left-aligned, allowing users to easily reach out for support or inquiries. This section ensures accessibility and provides a direct communication channel, enhancing user experience and satisfaction.

2. Researcher Registration

a. Welcome Researchers

This section features a single column layout with a background image and a welcoming headline. The text is centered to immediately engage researchers, highlighting the benefits of joining the platform. It sets the tone for the page, encouraging researchers to proceed with the registration process.

b. Registration Form

A two-column layout with a form on the left and a brief description on the right. The form includes fields for personal and professional details, while the description explains the registration process. This section is crucial for collecting necessary information from researchers, facilitating their entry into the platform.

c. Why Register?

This section uses a three-column layout with icon boxes to highlight key benefits of registering. Each column focuses on a different advantage, such as networking opportunities, access to industry problems, and potential earnings. The section aims to motivate researchers by showcasing the value of joining the platform.

d. Success Stories

Featuring a carousel of testimonials, this section uses a single column layout with centered text. It includes quotes from researchers who have successfully collaborated with industries through the platform. This section builds trust and credibility, encouraging new researchers to register by showcasing real-world success stories.

e. Join Us Today

A single column layout with a bold call to action button, encouraging immediate registration. The text is centered, and the section uses a contrasting background color to stand out. This section serves as a final push for researchers to complete their registration, emphasizing the ease and benefits of joining.

3. Industry Registration

a. Welcome to Industry Registration

This section features a single column layout with a background image and a prominent heading. The text is center-aligned, welcoming industries to register on the platform. It sets the tone for the page, highlighting the benefits of joining the marketplace and encouraging engagement.

b. Why Register?

A two-column layout with icons and text, left-aligned, explaining the advantages of registering. This section uses icon boxes to visually represent benefits such as increased visibility, access to a network of researchers, and streamlined problem-solving processes. It aims to persuade industries to register by showcasing the platform's value.

c. Registration Form

A single-column layout featuring a form with fields for company details, contact information, and industry type. The form is left-aligned and includes a submit button. This section is crucial for capturing essential information from industries, facilitating their entry into the platform.

d. Success Stories

This section uses a carousel layout to display testimonials from industries that have successfully used the platform. The text is center-aligned, and each testimonial includes a quote and a company

logo. It builds trust and credibility by showcasing positive experiences from existing users.

e. Join Us Today

A single-column layout with a bold call-to-action button, center-aligned, encouraging industries to complete their registration. This section uses a background color to stand out and prompt immediate action, reinforcing the page's primary goal of increasing registrations.

f. Frequently Asked Questions

A two-column layout with an accordion feature for easy navigation through common questions and answers. The text is left-aligned, providing clarity on the registration process and addressing potential concerns. This section enhances user experience by offering quick access to important information.

4. Post Problem

a. Mini Hero Section

This section introduces the 'Post Problem' page with a compelling headline and a background image. It features a single column layout with a centered text alignment. The main elements include an Animated Headline and a Call to Action button. This section sets the tone for the page, encouraging industries to engage with the platform by posting their challenges.

b. Problem Submission Form

A two-column layout featuring a Form on the left and a Text Editor on the right. The form allows industries to submit their problems, while the text editor provides guidelines and tips for effective problem submission. This section is crucial for facilitating user interaction and ensuring that industries can easily post their challenges.

c. Benefits of Posting

This section uses a three-column layout with Icon Boxes to highlight the advantages of posting problems on the platform. Text is aligned to the left. It aims to persuade industries by showcasing benefits such as access to expert researchers, cost-effective solutions, and innovation opportunities.

d. Testimonial Carousel

Featuring a carousel layout, this section displays testimonials from industries that have successfully used the platform. It includes a Testimonial Carousel and Star Rating elements, with text centered. This section builds trust and credibility by sharing positive experiences from past users.

e. CTA: Get Started

A single-column layout with a strong Call to Action button and a background color. Text is centered to draw attention. This section encourages industries to take immediate action by posting their problems, reinforcing the page's primary goal of engagement and interaction.

5. Payment

a. Mini Hero Section

This section features a single column layout with a background image and a prominent heading. It serves to introduce the Payment page, highlighting its importance and setting the tone for the user experience. The text is centered to draw attention and create a welcoming entry point for users.

b. Payment Methods

A two-column layout showcasing various payment options available to users. This section includes icons and brief descriptions of each method, aligned left for easy readability. It aims to inform users about their choices, enhancing transparency and trust in the payment process.

c. Payment Process

This section uses a three-column layout with icons and text to explain the step-by-step payment process. The text is left-aligned for clarity. It helps users understand how to complete their

transactions smoothly, reducing confusion and potential errors.

d. Security Features

A single-column layout with an icon list and text editor, centered for emphasis. This section highlights the security measures in place to protect user transactions. It reassures users about the safety of their financial information, building confidence in the platform.

e. Payment FAQ

A two-column layout featuring an accordion for frequently asked questions about payments. The text is left-aligned to facilitate easy navigation. This section addresses common user concerns, providing quick answers and improving user satisfaction.

f. Call to Action

This section features a single-column layout with a bold call to action button, centered to capture attention. It encourages users to proceed with their payments, driving conversions and fulfilling the page's primary goal.

6. Bid Tracking for Researchers

a. Mini Hero Section

A single-column layout featuring an animated headline and a background image. This section introduces the page with a compelling visual and concise text, setting the tone for the content that follows. It aims to capture the attention of researchers and highlight the importance of bid tracking in their workflow.

b. How It Works

A two-column layout with icons and text editor elements. This section explains the bid tracking process step-by-step, providing clarity and guidance to researchers. It serves to demystify the process and encourage engagement by making it accessible and straightforward.

c. Benefits of Bid Tracking

A three-column layout featuring icon boxes and text editor elements. This section outlines the key advantages of using the bid tracking system, such as efficiency, transparency, and increased opportunities. It aims to persuade researchers of the system's value and encourage its use.

d. Testimonials

A single-column layout with a testimonial carousel. This section showcases positive feedback from researchers who have successfully used the bid tracking system. It builds trust and credibility by highlighting real-world success stories and user satisfaction.

e. Get Started Today

A single-column layout with a call to action button and background color. This section encourages researchers to take immediate action by signing up or logging in to start tracking bids. It serves as a motivational prompt to convert interest into action.

f. Frequently Asked Questions

A two-column layout with accordion elements. This section addresses common queries and concerns about the bid tracking process, providing clear and concise answers. It aims to alleviate any doubts and enhance user confidence in the system.

7. Bid Overview and Selection for Industry

a. Welcome to Bid Overview

This section features a single column layout with a background image and a prominent heading. It serves as an introduction to the page, setting the tone and providing a brief overview of the bid

selection process. The text is centered to draw attention and engage visitors immediately, establishing the page's purpose and relevance.

b. How the Bid Process Works

A two-column layout with text on the left and an infographic on the right. This section uses icons and text to explain the step-by-step process of bid submission and selection. The text is left-aligned for easy reading. It aims to educate users on the workflow, enhancing their understanding and encouraging participation.

c. Services Offered

This section is organized in a three-column layout featuring icon boxes. Each column highlights a different service related to bid management, such as bid submission, evaluation, and selection. The text is center-aligned to maintain a clean and organized appearance. It informs users about the services available, encouraging them to utilize the platform.

d. Get Started with Your Bid

A single-column layout with a call to action button prominently displayed. This section encourages users to initiate their bid submission process. The text is center-aligned to focus attention on the action button. It serves to motivate users to engage with the platform, driving conversions and user interaction.

e. Frequently Asked Questions

A two-column layout featuring an accordion for questions and answers. This section addresses common inquiries about the bid process, providing clarity and support. The text is left-aligned for readability. It aims to resolve user doubts, enhancing their confidence and satisfaction with the platform.

f. Success Stories

This section uses a two-column layout with a testimonial carousel. It showcases positive experiences from previous users who have successfully navigated the bid process. The text is center-aligned to highlight user feedback. It builds trust and credibility, encouraging new users to engage with the platform.

8. Money Withdrawal for Researchers

a. Quick Overview

This section provides a concise introduction to the money withdrawal process for researchers. It features a single column layout with a background image and a heading aligned to the center. The purpose is to quickly inform researchers about the service, setting the tone for the rest of the page.

b. Withdrawal Process

This section outlines the step-by-step process for withdrawing funds. It uses a three-column layout with icons and text editor elements, aligned to the left. The section aims to guide researchers through the withdrawal process, ensuring clarity and ease of use.

c. Frequently Asked Questions

This section addresses common queries about the withdrawal process. It features an accordion layout with text editor elements, aligned to the left. The FAQ section helps reduce user confusion and provides quick answers to potential concerns.

d. Get Started with Withdrawals

This section encourages researchers to initiate their first withdrawal. It includes a call to action button and a background color, with text centered. The section's role is to motivate users to engage with the service, contributing to the website's goal of facilitating transactions.

e. Researcher Testimonials

This section showcases positive feedback from researchers who have successfully withdrawn funds. It uses a two-column layout with testimonial carousel and star rating elements, aligned to the center. The section builds trust and credibility, encouraging new users to utilize the service.

f. Need Assistance?

This section provides contact information for support. It features a single column layout with a contact form and social icons, aligned to the left. The section ensures researchers can easily reach out for help, enhancing user experience and satisfaction.
